**BITTER 101** *Amaro—literally bitter—is a traditional herbal liqueur. Bitterness is an essential, revered delight to the Italian palate, and it holds a special place at the end of a meal. Each amaro follows its own unique, proprietary recipe that adheres to tradition and local ingredients. A laundry list of ingredients, often secret, is macerated in neutral spirit prior to distillation. Alcohol varies widely (typically from 15–40%), as does flavor, which ranges from bittersweet to sharply astringent.*
